

GOLF ETIQUETTE:

- Keep carts on paths as much as possible.
- Cart traffic should be 90 degrees to cart path.
- Carts are not to be driven behind the greens.
- Keep carts 50 feet from greens.
- Repair ball marks.
- Shirts are to be worn at all times.
- Allow faster groups to play through.
- Play READY GOLF.

Ready Golf means **BEING** **READY to play,** not playing when you're ready.

*Here are some
simple rules.*

- Walk to your ball as soon as possible, so that you can choose your club and think about the shot in ADVANCE, not when it is your turn.
- When driving a cart, drop off your partner first, let your partner choose his or her club, and then drive to your own ball to get READY to play.
- When a ball is lost, hit your shot FIRST and then look for the lost ball.
- Walk down the SIDES of the fairway to reach your ball and then APPROACH it from the center. NEVER play in a caravan, moving in a group from ball to ball.
- When on the Green, line up your putt BEFORE it is your turn, and putt out immediately instead of marking, if you are not in someone else's line.
